An asterisk (*) indicates a difference from a previous estimate either in the date or the amount. If you want a further explanation, please call our toll-free number.

Last year, we anticipated that payments from your account would be made during this period equaling 8,251.07. Under Federal law, your lowest monthly balance should not have exceeded 1/3 of 1.83 or 1/6 of the anticipated payment from the account, unless your mortgage contract or State law specifies a lower amount. Your mortgage contract and State law are silent on this issue.

(Please keep this statement for comparison with the actual activity in your account at the end of the escrow accounting computation year.)

Your escrow balance contains a cushion of 708.20. A cushion is an additional amount of funds held in your escrow balance to prevent the balance from becoming overdrawn when an increase in the disbursement amount occurs. Under Federal law, your lowest monthly balance should not exceed 1,416.41 or 1/6 of the anticipated payment from the account, unless your mortgage contract or State law specifies a lower amount. Your mortgage contract and State law are silent on this issue.

Your ending balance from the last month of the account history (escrow balance anticipated) is 1,104.25. Your starting balance (escrow balance required) according to this analysis should be \$1,416.45. This means you have a shortage of 312.20. This shortage may be collected from you over a period of 12 months or more unless the shortage is less than 1 month's deposit, in which case we have the additional option of requesting payment within 30 days. We have decided to collect it over 12 months.

We anticipate the total of your coming year bills to be 8,498.45. We divide that amount by the number of payments expected during the coming year to obtain your escrow payment.

New Escrow Payment Calculation

| | |
|-----------------------------|-----------------|
| Unadjusted Escrow Payment | 708.20 |
| Surplus Amount: | 0.00 |
| Shortage Amount: | 26.02 |
| Rounding Adjustment Amount: | 0.00 |
| Escrow Payment: | <u>\$734.22</u> |

Paying the shortage: If your shortage is paid in full, your new monthly payment will be \$2,232.79 (calculated by subtracting the Shortage Amount to the left and rounding, if applicable). Paying the shortage does not guarantee that your payment will remain the same, as your tax or insurance bills may have changed. If you would like to pay the shortage now, please pay the entire amount of the shortage before the effective date of your new payment. To ensure that the funds are posted to your account correctly, please notify your asset manager that you are paying the shortage.

NOTICE OF RIGHT TO CANCEL PRIVATE MORTGAGE INSURANCE: If you currently pay private mortgage insurance premiums, you may have the right to cancel the insurance. In most cases, you have the right to cancel private mortgage insurance if the principal balance of your loan is 80 percent or less of the current fair market appraised value of your home, and you have a good payment history on your loan. If you want to learn whether you are eligible to cancel this insurance, please contact us at 323 Fifth Street, Eureka, Ca 95501 or 800-603-0836.

*** Please note if you have autopay/EFT set up on your loan, it is your responsibility to make sure your payment amount is updated. Enclosed is the EFT form that needs to be completed. Once completed, please fax to the number listed on the EFT form or return in the self-addressed envelope.**
